

12 STATES

Choose Life Ministries will be sharing the message of LIFE in North and South Carolina, Florida, Kentucky, Indiana, Ohio, Michigan, Louisiana, Arkansas, Texas, Colorado, and Missouri this year.

We covet your prayers and thank you for all of your support.

Pray that we will see a great move of God in 2024, and that we will see these states turn from a culture of death to a culture of LIFE.

Our speaking schedule is now on the new Choose Life Ministries' app. We are so excited about all the opportunities that we will have to share the message of LIFE across America this year. Please be sure to check out our calendar.

If you cannot access the CLM app, please check out our calendar on our website at www.chooselifeusa.org. You can also text Doug to receive weekly updates of where we will be speaking. (606) 269-3099

God gave us a vision for 2024:

"UNITED for LIFE"

Then we saw the theme for the 2024 March for Life, "Together We Stand for the Unborn". We will see God move mightily in our land when we, His children, stand together!

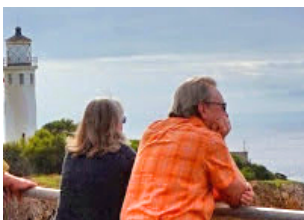

Don't Give Up Now

In 2006, while we were speaking in Colorado Springs, Colorado, we took this photo. Sadly, they had removed 'God' from the military display. We have become a nation without truth, or mercy, or knowledge of God in the land (Hosea 4:1) It seems that lies prevail and truth is nowhere to be found. In our last election, Ohio and Kentucky failed to pass legislation that would have protected children born and unborn. But we cannot give up now. 2024 could be the year when we see revival in our land.

Commit your way to the LORD, Trust also in Him,
And He shall bring it to pass. Psalm 37:5

From Our Home, Family, Work, Church and Friends in Key Largo, Florida, God called us to be in a Pro Life Ministry.

We will be returning to the Florida Keys in March, back to the church where we first felt called to go to Bible College in pursuit of the ministry God had called us to. In 1993, God spoke to Doug through the testimony of a young girl, named Gianna Jensen, who sang and shared her testimony at a pregnancy care center banquet in Miami, Florida. She had been aborted, but she did not die. The call to go, to leave our home and our business, friends and family, came in 2001.

Please pray as we share at *BeaChurch KLBC* in Key Largo, on March 10, 2024, at their mission's conference, and for all our churches we have scheduled in 2024.

Pray for strength, health, protection and provision.
